

Troop 718 Outing Checklist

Troop 718 is an active troop, offering many outdoor activities. In regards to the wilderness, we have day hikes, car camping trips and multi-day backpacking trips. Each trip will have its own customized gear list, depending on the nature of the trip. Attached you'll find a General Gear List, hopefully including all items that your scout will need when participating in our various outdoor activities.

On this General Gear List, there is also a column titled, "REI Code", which has the product code for that particular item that most of our scouts use. Use this as a reference for the type of item needed, but of course feel free to purchase at any retailer.

This list can be overwhelming, but know that for the first couple outings, we may have items that can be borrowed, just please inquire with a scoutmaster.

Online retailers, who often have this gear at discounted prices include the following:

www.reioutlet.com

www.campmor.com

www.sierratradingpost.com

www.steepandcheap.com

REI Passage 65 Pack - Youth

\$159.00

(27)

Item # 808326

REI Members get back an estimated **\$ 15.90 on this item** as part of their annual member refund.

The REI Passage 65 pack is perfect for Scouts and other kids ages 11 - 17 who love backpacking. It uses the same quality materials and design as adult packs for great comfort and performance.

- Adjustable harness fits 15 - 19 in. torsos and lets the pack grow with your young backpacker; highly visible increment markers make it quick and easy to dial in the fit
- Contoured, padded shoulder straps, hipbelt and molded foam back panel with breathable mesh provide carrying comfort and great ventilation
- Dual aluminum stays stabilize the load and shift pack weight to the hips
- Precurved hipbelt comfortably wraps around the hips and can be extended to provide an additional 2 in. of circumference as your child grows
- Hipbelt webbing tightens with an ergonomic forward pull for easy adjustment
- Top-loading main compartment features side zip access, making it easy to retrieve deeply buried items
- Adjustable sternum strap features a safety whistle built into the buckle
- Organize your gear in top-loading main compartment, sleeping bag compartment, front essentials zip pocket and 2 pockets in the top lid pocket
- Floating top lid extends to accommodate large loads; lid detaches and can be used as a lumbar pack for side trips and day hikes
- Elastic cord crisscrosses the front of the pack and creates an ideal spot to stash a jacket or pack towel
- Pack bottom features sleeping pad straps with quick-release buckles; 2 zippered mesh pockets on the hipbelt keep snacks and other small essentials close at hand
- Water-repellent zippers help keep contents dry and eliminate the need for fabric zipper flaps

RED FLARE/TITANIUM

Green Vest Review: REI Flash 18 Pack

With the REI Flash 18, versatility is the name of the game.

For use in your larger backpack or duffel, this lightweight daypack cleverly converts into a stuff sack simply by turning inside out.

[More videos](#)

With the REI Flash 18, versatility is the name of the game. For use in your larger backpack or duffel, this lightweight daypack cleverly converts into a stuff sack simply by turning inside out!

- Turn inside out and it's a stuff sack to help organize your gear; once at basecamp, reverse it and use as a daypack for short hikes away from camp
- Removable back panel pad doubles as a sit pad; removable hipbelt and sternum strap make the pack customizable for different uses
- Interior zippered pocket secures keys and other small items
- Hydration-compatible design has an hose exit port and an internal sleeve to hold a hydration reservoir, sold separately
- Top-loading entry features an efficient, single drawcord that cinches skirt closed with single tug; small flap covers the opening when cinched closed
- Front of pack features twin daisy chains running vertically and a tool loop at the bottom for attaching items on the front of the pack
- 140-denier² ripstop nylon increases durability without adding weight; polyurethane coating offers weather resistance

CLOVER

Osprey Talon 11 Pack

\$89.00

(6)

Item # 808290

REI Members get back an estimated **\$ 8.90 on this item** as part of their annual member refund.

The Osprey Talon 11 pack keeps up with your fast pace, comfortably hauling the essentials for hiking, trail running, racing and everything in between.

- Lightweight AirScape back panel features ridge molded foam with air channels covered in airy mesh
- Mesh-covered perforated shoulder straps and hipbelt save weight and enhance breathability
- Panel-loading main compartment holds lunch, a layer of clothes and tools
- Front zippered stash pocket carries your little essentials, such as keys, cash and ID
- Front bungee cord compression is ideal for lashing on a jacket, helmet, magazine and other often used gear
- Stretch woven side pockets are large enough for your digital camera in 1 and snacks in the other
- Hydration-compatible design features an exterior compartment for on-the-go hydration (reservoir sold separately)
- The Osprey Talon 11 pack also features a tow loop and blinker patch (blinker sold separately)

CamelBak Quick Tip - Cleaning Reservoir Video

[More videos](#)

Improving a proven design, the BPA-free CamelBak Antidote 50 fl. oz. reservoir offers a host of new convenient features for hassle-free hydration.

- CamelBak Antidote reservoir features a huge access port for easy filling; now with a new cap that is easier to open and close
- Access port is large enough to put your hand inside, so cleaning becomes a simple task
- Integrated baffle keeps water from sloshing side to side as you move and twist while wearing your pack
- Equipped with the Quick Link™ connection system for hassle-free removal of the drinking tube
- Big Bite™ valve is easy to use—just bite and sip; HydroLock™ valve shuts off water, preventing leakage during transport

Please note: CamelBak products can only be shipped to U.S. addresses.

Made in USA.

INDIGO/OCEAN

REI Lumen +25 Sleeping Bag - Youth

\$119.00

(3)

Item # 794803

REI Members get back an estimated \$ 11.90 on this item as part of their annual member refund.

Built for the young backpacker, the 3-season REI Lumen +25°F kids' synthetic sleeping bag features amazing compressibility and warmth while balancing price and performance.

- This bag is built to the same insulation standard as the EN-rated REI Lumen +25°F adult sleeping bag
- Synthetic Thermawave polyester insulation is durable and highly compressible; synthetic polyester fill retains some insulating properties even when wet
- Shingle construction with overlapping layers distributes insulation evenly and keeps it from moving around so there are no cold spots
- Equally distributed insulation accommodates the multi-position sleeper; mummy shape is thermally efficient, yet roomy enough to ensure sleeping comfort
- Ripstop nylon shell fabric has a nice hand feel, is lightweight, durable, water- and abrasion resistant; nylon taffeta lining is soft and tear-resistant
- Relaxed fit through the shoulders and hips gives you room to move for a better night's rest
- Contoured hood, insulated full-face muffler, roomy footbox and full-length zipper draft tube with ground-level seams work together to keep heat in and cold out
- External chest pocket keeps small essentials—headlamp, watch, glasses—right at hand and easy to find in the dark
- Special pocket in hood can be stuffed with clothing layers to make a pillow that stays in place; no need for a pillow to take up valuable space in your backpack
- Pad loops provide attachment points to keep your sleeping bag and pad together, so you needn't worry about rolling onto the cold ground (straps sold separately)
- Full length zipper is backed by wide, antislip binding tape
- Differentiated drawcords (1 round, 1 flat) allow quick identification, even in the dark, so neck and hood adjustments are a cinch
- Nylon stuff sack and cotton storage bag included
- Ideal for 10 - 14 year olds

Imported.

SILVER/LIMON

Therm-a-Rest Z Lite Sol Sleeping Pad

\$34.95 - \$44.95

(18)

Item # 829826

For sleep-anywhere comfort, the Therm-a-Rest Z Lite Sol mattress is a light, compact, full-length closed-cell foam sleeping pad that features a heat reflective surface for added warmth!

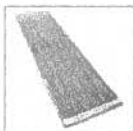

- Aluminized surface reflects heat, returning it back to your body; increases overall warmth from previous model by nearly 20%
- Pad is engineered for extreme alpine climbing, adventure racing and long-distance backpacking when reducing weight is paramount
- Egg-carton pattern increases softness and adds insulation by trapping warm air under your sleeping bag
- Therm-a-Rest Z Lite Sol mattress uses an accordion-style design that lies flat instantly and folds up into a small package quickly and easily
- Closed-cell foam withstands years of use and abuse

Please note: Therm-a-Rest products can only be shipped to U.S. addresses.

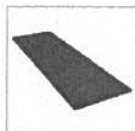

Made in USA.

Marmot PreCip Rain Jacket - Boys'

\$65.00

Item # 815683

The lightweight Marmot PreCip® rain jacket is durable, breathable and waterproof. It offers excellent protection from rain without weighing a boy down.

- 2.5-layer PreCip polyurethane coating offers waterproof protection and is specially formulated for excellent durability and breathability
- Fully taped seams ensure waterproofness
- Dry Touch® technology reduces condensation and that sticky, clammy feeling next to skin
- Compact design packs small to take up little space in pack, making jacket perfect to take along, just in case
- Articulated sleeves allow unrestricted movement
- Attached hood and elastic cuffs with rip-and-stick™ adjustment enhance protection
- 2 zippered pockets on chest stow items safely and securely; slanted design allows easy access while wearing a pack
- The Marmot PreCip® rain jacket features a double stormflap that protects the front zipper from the elements; soft, lined chin guard offers comfort

VIBRANT ORANGE

Black Diamond Gizmo Headlamp Video
Now even brighter and lighter than before, the Black Diamond Gizmo headlamp is a great light to have on hand in the car, at the house or in the mountains.

Now even brighter and lighter than before, the Black Diamond Gizmo headlamp is a great light to have on hand in the car, at the house or in the mountains.

- Lightweight Gizmo has 2 LEDs² and a dimming feature that allows you to set the light output; LEDs² put out 35 lumens² on high and throw light up to 15m
- LEDs² cast even, white light and are nearly indestructible
- Operates for up to 75 hrs. on low with 2 AAA batteries, included
- If someone falls asleep with the Gizmo on, there's no need to worry because the auto shutoff feature kicks in after 2 hrs.
- Strobe² setting helps you send a signal
- IPX4² water resistance protects the headlamp from splashing or sprayed water from any angle
- Black Diamond Gizmo headlamp features a pivoting head and a single adjustable strap

Manufacturer-supplied specifications.

Please note: Black Diamond products can only be shipped to U.S. addresses.
